

Adesso SlimTouch™ 1200 is ideal for use in the home, office, or while on the go. Its thin design fits well in any workplace.

The Adesso wireless stainless steel keyboard and mouse combo features 2.4 GHz Radio Frequency wireless technology which gives you the wireless convenience and freedom of a smooth connection without tangled cables for up to 30-foot range. Its multi-functional hotkeys can quickly access to media player, multimedia controls, and Internet browser commands. The keyboard is designed with slim metallic base and low-profile Scissor-Switch Technology for comfort, speed, and better tactile feel. The mouse is equipped with advanced 1000 DPI optical sensor for greater sensitivity and accuracy.

■ 2.4 GHz Radio Frequency Wireless Technology

This keyboard and mouse combination works at any angle with a range of up to 30ft. with no wires to get tangled.

■ Low-Profile Key with Scissor-Switch Technology

Scissor-switch technology not only offers a faster, quieter and more responsive keying experience, but also provides comfort, speed, and better tactile feel.

■ Multimedia and Internet Controls

Control your media player with just one touch using the built-in Multimedia Hotkeys for easy access to your favorite video or music playlist.

■ Slim and Portable

The slim design makes for easy portability and ease of use in most any workplace.

■ Enhanced Optical Engine

The enhanced optical engine of 1000 DPI allows your device to work with improved speed, accuracy, and reliability.
