# EZScan 320 - 1200 DPI Portable WiFi Auto-Feed Scanner

Whether you are out of the office or a business trip, Adesso's EZScan 320 lets you scan almost anything, anywhere. It is designed to instantly transfer information to your computer via a USB cord and can also run on batteries and a Micro SD card (up to 32GB) that lets you scan with absolute freedom and stores your scan for future use. The EZScan 320 is also equipped with WiFi, a high-speed image sensor, an LCD display, and an auto-feed feature that lets you quickly scan, archive, and organize anything from business cards and contracts, to photographs with sharp DPI resolutions (1200/600/300 DPI) within a few seconds.

### ■ Auto-Feed Scanning

The Adesso EZScan 320 has an Auto-Feed Scanning ability which scans photos through a feed automatically and hands-free.

### ■ 1200 DPI Resolution

The EZScan 320 is fully equipped with a high-resolution Contact Image Sensor, letting you scan up to 1200 DPI in high-quality images.

### ■ 1.5" TFT LCD Color Preview Display

The EZScan 320 has a 1.5" TFT LCD Color Display that previews what you have scanned so you can instantly know what you scanned or if you need to make adjustments.

### ■ Wireless Scanning and Micro SD Card Storage

The EZScan 320 allows you to scan wirelessly if desired, and lets you store your images in a Micro SD card up to 32GB.

### ■ Compact & Mobile

The Adesso EZScan 320 is equipped with WiFi so you can use scan images into your smart phone or tablet or anywhere using WiFi internet connection.
