

iMouse™ E60

2.4GHz RF Wireless Anti-Stress Gel Mouse

www.adesso.com

2.4GHz RF Wireless Technology

Ergonomic Soft Gel Surface

Multiple Colors Available

Optical Sensor

The Adesso iMouse™ E60- Wireless Anti-Stress Gel Mouse, is a gel mouse that conforms to your hand's curves to reduce stress, relieve tightness in finger joints and overall is just more comforting than the average mouse. The soft malleable surface will bring endless comfort to your palm, letting you work for long hours without pain. The wireless feature allows you to avoid tangles that may be common for any other mouse. This beautiful stylish-mouse comes in various different colors for your choosing making it perfect for adding a bit of flair or brightness to your desktop environment!

■ 2.4 GHz RF Wireless Technology with On/Off Switch

This mouse works at any angle with a range of up to 30 ft. with no wires to get tangled. The On/Off switch helps conserve battery power plus the low battery indicator helps you know when it is time to change batteries.

■ Ergonomic Soft Gel Surface

The soft malleable surface provides better support for your palm, wrist, finger-joints and will bring endless comfort for many working hours. Massage your hands while working!

■ Multiple Colors Available

Add a bit off brightness or flair to your desktop environment with the availability of being able to choose from 6 different colors! Guaranteed to add a little extra color to your work area!

■ Optical Sensor

No driver required for the built in optical sensor which naturally offers a 1000 DPI resolution with fast accurate navigation!
