## Wireless Vertical Ergonomic Mouse

www.adesso.com

Experience new levels of productivity with the Adesso iMouse E50. This 2.4 GHz Radio Frequency wireless mouse offers you 30 feet of wireless freedom and eliminates the constraints wired mices often cause. The iMouse E50 is designed with a countoured shape that provides a uniquely comfortable user experience. Never worry about batteries, the iMouse E50 has built-in Li-ion battery which simply needs to be recharged. The advanced optical sensory technology keeps the mouse precisely on point and lets you work on most surfaces, such as glass, wood and leather. Simply plug the USB receiver into any available USB port and enjoy the freedom of a comofrtable and wireless mouse experience.

### ■ 2.4 GHz Radio Frequency Wireless Technology

No matter what you are doing on the computer, you can now enjoy working at any angle and at a distance of up to 30 feet without the hassle of wires and cables.

### ■ 4-Way Mouse Wheel

The 4-way mouse wheel allows both vertical and horizontal scrolling.

### ■ Built-In Rechargeable Li-on Battery

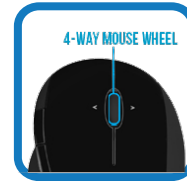

The iMouse E50 eliminates the need for batteries. Simply plug in your mouse with the USB cable when your mouse needs recharging.

### ■ Ergonomic Vertical Design

The vertical design provides better support for your forearm minimizing wrist pain that can come from twisting.
