

NanGang Exhibition Center, Hall 2 , 1F, Booth # Q1220
(June 2 - 5, 2026)

At this year's COMPUTEX, Adesso® will showcase our latest innovations in computer peripherals, smart card reader, fingerprint security devices, AI enable Keyboards, mice ,headsets, and lifestyle technology, designed to enhance productivity, comfort, and everyday digital experiences. Our team will be on hand to demonstrate new products, discuss market trends, and explore opportunities for collaboration.

We believe your presence would be most valuable, and we would be honored to welcome you for a personalized tour of our booth and a one-on-one discussion with our product and business development teams. Should you require any assistance with scheduling, registration, or meeting arrangements, please feel free to contact us at sales@adesso.com or contact our sales directly.

Thank you for your continued interest and support. We look forward to seeing you at COMPUTEX and sharing what's next for Adesso®

Sincerely,

Allen Ku
President
